PUBLIC COMMENT
You may submit public comments, or a request for a contested case hearing to the Office of the Chief Clerk at the address below. After the deadline for public comments is closed, the executive director will prepare a response to all relevant and material, or significant public comments. Issues such as property values, noise, traffic safety, and zoning are outside of the Commission's jurisdiction to address in this proceeding. In addition to submitting public comments, you may request a contested case hearing if certain criteria are met.

MAILING LIST
In addition to submitting public comments, you may ask to be placed on a mailing list for this application. The Commission may only grant a request for a contested case hearing on the application if certain criteria are met. If any requests for a contested case hearing are timely filed, the Executive Director will forward the request to the Commissioners for their consideration. If the request is granted, a hearing will be scheduled. If the application is referred to a contested case hearing after technical review of the application, A contested case hearing may only be granted if the applicant's compliance history is in the lowest classification under applicable compliance history requirements. If no hearing request is received within this 15 day period, no further opportunity for hearing shall be provided. In the event a contested case hearing may only be granted if the applicant's compliance history is in the lowest classification under applicable compliance history requirements.
